

Special Seminar under the sponsorship of Institute for Environmental Science and Technology (IEST), Saitama University

Title : Coastal protection measures-case studies along India

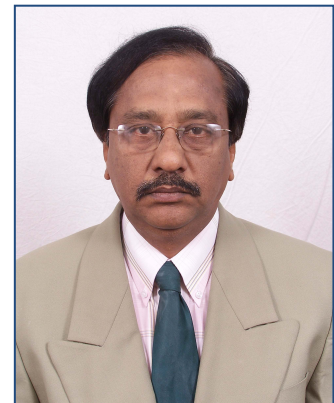

Date and Time : 2013/Aug/29 14:30-16:00

Venue : Theater Room, 1st Floor, Research and Project Building

The location of the building is No. 20 on the map
which can be downloaded from
<http://www.saitama-u.ac.jp/access/pdf/campusmap.pdf>

Invited speaker: Dr. VALLAM SUNDAR

Professor, Department of Ocean Engineering, I.I.T. Madras,
INDIA. (**Former Chairman, Asia Pacific Division of IAHR**)

Field of Specialization: Coastal Engineering, Port and harbor structures, fluid flow problems, tsunami mitigation measures

Awards:

- **Distinguished membership award** awarded by Asia Pacific division of International Association of Hydro-Environment Engineering Research (**IAHR**) in Aug 2012 in recognition for my outstanding contribution to the Scientific activities of the IAHR APD
- **National Design award in Environmental Engineering-2008** from Institution of Engineers (INDIA), National Design and Research forum presented in 23rd Indian Eng. Congress, Warangal, 12 Dec 2008
- **Best paper award for the paper** "Simulation of Nonlinear free surface waves" of V.Sriram, S.A.Sannasiraj and **V.Sundar** among papers presented in 15th IAHR-APD, IIT Madras, 7-10 Aug 2006
